

REMARKS

The Specification has been further amended to include sequence identification numbers which were omitted at the time of filing.

This amendment is accompanied by a substitute Sequence Listing containing the sequences, SEQ ID NOS:1-27 in computer readable form, and a paper copy of the sequence information which has been printed from the computer readable listing. Applicants request entry of the substitute Sequence Listing into the specification.

The undersigned hereby states that the information contained in the computer readable listing was prepared through the use of the software program "PatentIn" and is identical to that of the paper copy. This amendment contains no new matter.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 858-350-6100.

Respectfully submitted,
